

CSSS Publication Committee Meeting

Chris Parsons

Friday, July 3, 2009

Meeting starts at 1:42 PM. Chris Parsons chairs. Attending: Phil Boutros, Curtis Lassam, Benton Lam, Chris Parsons, Winona Wu.

1 Editors

- Phil Boutros motions to appoint Curtis Lassam as Editor-in-Chief. Benton Lam seconds.
- Curtis Lassam explains the position of editor-in-chief and his past experience in the editing role.
- Motion passes.
- Chris Parsons asks if there is anyone that wants to be Copy Editor or Layout Editor.
- Benton Lam mentions that there is not enough volunteers to warrant several editors at the moment.

2 Submissions

- Phil Boutros, Winona Wu and Benton Lam all want to submit writing.
- July 17 is set as a date for submissions to be done.

3 Publishing The First Issue

- Printed versions of the publication will be printed on glossy paper in full colour.
- There is the possibility of creating a version to add with the Frosh Guides. Full colour on glossy paper would be expensive.
- Printed versions of the publication will be made available in the common rooms and advising offices, although not many copies will be printed.
- Criticism of the school should not be a problem with any submissions.

4 Open Floor

- Winona Wu asks if any professors would be interested in writing. An idea of asking for professor interviews or questions seems interesting.

Meeting adjourned at 2:22 PM.
