

CSSS Activities Committee Meeting Minutes

Max Whitney

September 18, 2008

1 Beginning

The meeting begins at around 15:30 in the Common Room.

I am chairing.

I do not seem to have kept an attendance list. Also some names are abbreviated to initials below.

2 Stuff against engineers

- Floor hockey and volley ball are suggested.
- Also a programing contest.

3 Game tournaments

- Ivan wants game tournaments.
- Suggested games are Smash Bros, Halo 3, Starcraft, SHL09, CS, Rockband. Rockband and Smash Bros maybe best.
- Smaller games in between rounds.
- And games for people to play when resting.
- Need several consoles.
- Charge maybe \$20 per team (of four or so), use for prizes. Get money a few days in advance.
- Some board games would be ok too. Wargames could be fun.
- Keep it to 2 games or so for the first time.
- Advertise a lot.
- Maybe against engineers.

4 Mixer

- Ivan wants mixer nights.
- No alcohol makes this a little tricky.

5 Ski trip and snow tubing

- We need to start planning our ski trip. It is normally held in January.
- Josh says something related to this.
- Also snow tubing in December.

6 Polar plunge

- J mentions polar plunge.
- We don't need to do much for this yet.

7 Games nights

- C says to check to get [board] games at surrey.
- Maybe do some Wargames (Warhammer is mentioned) or RPGs at board games night. [This was mentioned briefly a little earlier in the meeting as well.]

8 Food night / potluck

- Could be done as part of a mixer event.
- We have some other food ideas, but nothing very definite.

9 Wings nights

- Should do one soon, maybe for meeting after next.
- Use Central City or Shadow.
- Just make reservation for n people at pub; order wings when we're there.
- Try to choose night with wings special.
- We pay for wings; spend maybe \$150.
- Maybe also some wings [“wings” is presumably a typo in the notes here].

10 Cheese burger night

- J wants cheese burger night. I think he is joking.

11 Movie nights

- Suggestions: James Bond, Max Payne, DBZ, Day the Earth Stood Still (J may be in it), the sequel to the Dark Crystal.

12 Halloween

- We want a costume contest. Geeky is good.
- Several Movies (three or four); classic horror films eg Evil Dead, Army of Darkness. [Also see section 15 below.]
- WICS has done pumpkin carving sometimes in the past.
- J wants pumpkin pie eating contest. C says store bought pumpkin pies suck.
- We could consider doing a mixer or something this day, but could be competing with pub crawls and things. We should evaluate this, and check normal Friday attendance.

13 The engineers

- Cory and I [“I” here is presumably an initial rather than a pronoun] leave.
- C says we need to steal the cup back from the engineers.

14 Adjournment

We adjourn at around 16:22.

15 Afterwards

This was after the meeting ended, but was relevant.

- Dan Carter, our SFSS FAS representative, shows up at around 16:40.
- Chris is here now. Surrey may be doing a Halloween event. Maybe a dance.
- C adds Snakes on a Plane for Halloween movie list, also the Buffy movie and Rocky Horror.
- We could theoretically do an outing to a Rocky Horror participation event.
