Meeting started at 3:31 PM. Chris chairs.

1 Rules

- Discussion on rules to play with. The Vancouver Dodgeball League rule-book is chosen.
- Discussion on balance of male/female players. Female players will be encouraged but not strictly enforced.
- Richard gives background information on how VDL plays.

2 Location and Equipment

- Education's gym is roughly \$85 for four hours. Chris will look into gym availability.
- Dodgeballs are \$15 new or \$10 used. To play two games at once, twelve balls will be needed.

3 Invitations

- Discussion on which DSU's to invite. Those who are close with the CSSS should be invited first, i.e. Engineering, Sciences, Business, Math. Ideally, a tournament with many DSUs would be the best.
- Discussion and jokes about naming the trophy the D-Cup.
- E-mails to DSU's will be sent out advertising and inviting them to our event.

4 Team

- Discussion about creating teams. If we created multiple teams, we could have practice nights or just play games by ourselves.
- Discussion about jerseys.

Meeting adjourned at 4:13 PM.
