

Computing Science Student Society Publication Committee

Shannon Juzenas/Chris Parsons

October 22nd, 2009

Meeting started at 2:31 PM. Chris chairs.

1 First Issue

- Discussion about the advertising space. Advertising will appear in the second issue.
- Discussion about distribution. Issues will be printed at 11x17 and distributed online.

2 Next Issue

- Discussion about where to start from scratch, or reuse the format Curtis created in the first issue. This will be decided at a later date.
- Discussion about next issue time line. Try to get next issue out for around January 18th, along with the new executive list for the CSSS.

3 Submission Strategy

- Discussion about submissions to the last issue. Everyone did their article right before the deadline, or re-used an old blog post.
- Blog posts will continue to be accepted, possibly with links to the blog.
- Deadline for submissions will be decided later.

Meeting adjourned at 3:09 PM.
